4 Day Fraser Island & Kingfisher Bay Resort

Fraser Island is one of Australia's natural treasures alongside Uluru, Kakadu and the Great Barrier Reef. It is a significant part of Australia's natural and cultural heritage. Relax and explore the region's ideal sub-tropical weather. Combine the Island with Kingfisher Bay Resort and we have a perfect short break.

Day 1: HOME TO KINGFISHER BAY RESORT (L,D)

Sit back and relax as we head north to Fraser Island, one of Australia's natural treasure – a perfect short getaway to truly escape the hustle and bustle of city life and get back to nature. We're on the road early travelling through **Gympie** and **Maryborough**, stopping along the way for lunch. It's not far from here to Hervey Bay where our adventure really begins! We catch the mid-afternoon ferry across to **Fraser Island** and check into the **Kingfisher Bay Resort** for the next three nights. You have time to unpack and explore the resort, perhaps take a swim or a walk to the beach before our **Welcome Sunset Drink** at the Sunset bar.

Day 2: Explore Fraser Island (B,L,D)

Our day begins as we hit the island in our 4-wheel drive vehicle. We will visit **Lake Mackenzie**, one of the 40 perched lakes found on the island. With its clear, blue fresh water and white sandy shores, it truly postcode perfect. **Central Station**, is the historic heart of Fraser Island, and the original headquarters of the island's forestry operation back when tree felling was allowed. We will see it quite differently as a quiet, idyllic forest. It is very exciting and quite unusual to drive along the sand – the waves crashing on the beach on one side and the sand dunes on the other – be prepared for a thrilling drive. Time for a photo opportunity at the **Maheno Shipwreck**. This hospital ship was blown ashore during a cyclone - whilst being towed to Japan. Don't forget your togs ... in one thirty km section of the beach are 200 creeks running into the Pacific Ocean! Some large, and some appearing as wet sand from the dunes to the surf. The largest and most attractive though is **Eli Creek**. This clear water is the perfect place to take a swim in the lower reaches of the creek. A drive along the famous "highway" of **75 Mile Beach** will remove any memories of city life. What a day!

Day 3: Fraser Island (B,L, D)

A leisurely morning with the opportunity to choose one of the resorts activities, maybe a walk with a ranger or a massage (additional expense), maybe a swim or a read of your book lounging around the pool. We will enjoy lunch together and a **Bush tucker talk with tastings** given by one of the resident rangers. Our day of relaxation will be topped off with a **Sunset cruise** with a glass of bubbly before dinner – a perfect way to end a perfect day.

Day 4: Fraser Island to Home (B,L)

After three luxurious nights at Kingfisher Bay Resort, some exploring and some relaxation time you will be feeling totally rejuvenated for your return journey home.

We slowly head towards home stopping for lunch along the way.
